LFC Capital Adds Managing Director

Chicago – November 12, 2010 – LFC Capital, Inc. has named Stanley S. Fishbein, JD, LLM (Tax), as Managing Director, Business Development, based in New York. A tax attorney, former investment banker, and expert in equipment leasing and commercial finance, Mr. Fishbein brings a wealth of experience to his position.

Before joining LFC, Mr. Fishbein was president of CapQuest Group, LLC, where he provided lease and term debt financing to help businesses, non-profit institutions and commercial property owners finance such progressive projects as technology acquisitions, building systems upgrades, and renewable-energy and energy-efficiency projects. His expertise includes specialized financing for acute and long-term care providers, including hospitals, rehabilitation centers, and nursing homes, having provided revolving lines of credit, mortgages, and capital leases.

Mr. Fishbein has held management positions in investment banking, commercial banking and finance with ABN-AMRO Bank, Citibank, and Textron Financial Corporation. He also served as president of Chrysler Capital Fund Management Corporation.

“As LFC Capital expands its reach to serve more healthcare providers and select growth companies nationwide, Stan Fishbein will be a tremendous asset to our clients, because he has a deep knowledge of equipment leasing and debt financing for a wide variety of end users,” said Martin E. Zimmerman, president and CEO of LFC Capital.

Mr. Fishbein received his BBA in accounting from The University of Massachusetts in Amherst, his JD degree from Suffolk University Law School in Boston, and his LLM in taxation from Boston University School of Law. After being admitted to the Massachusetts Bar, he began his professional career in the tax department of the accounting firm of Touche Ross & Co. Mr. Fishbein is also vice president and board member of the New York Solar Energy Society, a chapter of the American Solar Energy Society.

LFC Capital, Inc., based in Chicago, provides equipment leasing and term-debt financing to healthcare providers and service companies, as well as select growth companies nationwide. The principals of LFC have completed more than \$1.5 billion in equipment leasing and financing transactions.
